Brook Morrison
Operations Manager

Responsibilities

As Operations Manager for Atlas Door and Hardware, Brook works closely with customers and Atlas staff to coordinate projects, manage production in the fabrication shops and field, schedule installations and service calls, and provide technical support for customers and employees.

Brook joined Atlas Door and Hardware in 2012 and has 21 years of commercial door and hardware experience. In previous positions he served as Service Manager, Shop Foreman and Installation Technician and developed extensive technical knowledge, troubleshooting skills and project management experience.

Brook served in the U.S. Marine Corp and as part of the Multi-National Peacekeeping Force in Beirut, Lebanon. He was awarded medals for Sea Service, Expeditionary and Good Conduct.

Areas of Expertise

Brook's broad experience in all facets of wood and metal door and frame fabrication, hardware specifications and installation, electrical wiring, glass cutting and locksmith techniques helps keep all aspects of Atlas Door and Hardware's operations running efficiently and on schedule. Clients especially appreciate Brook's thorough technical knowledge and ability to provide accurate assessments of renovation work, service needs and new projects requirements.
