**Matt Hall**  
Project Manager

### **Responsibilities**

As Project Manager for Atlas Door and Hardware, Matt works closely with architects and contractors to specify, procure and install doors and hardware components for new construction and renovation projects.

Matt joined Atlas Door and Hardware in 2018 and has 15 years of commercial construction experience. In previous positions he served in service, project and store management roles.

### **Areas of Expertise**

Matt's thorough product knowledge helps ensure that Atlas customers receive accurate door and hardware specifications, timely submittals and on-time installation. Matt's expertise includes design-build projects and concentrated experience with retail spaces and assisted living facilities.

### **Education**

Bachelor's degree in Pastoral Studies  
*Florida Christian University*
